FALL FROM TREE PROVES FATAL TO ADAMS COUNTY BOY

Limb Gives Way and Nine Year Old
Boy Falls to Ground Breaking
Neck—Home at Bentonville.

A most distressing accident occurred near the home of Wilson Stephenson and wife, near Bentonville, Adams county, which resulted in the death of their nine-year-old son, Lloyd. On that afternoon the boy, with others, had gone to the woods to gather hickory nuts. With a ladder he had climbed a tree to considerable height. While there he fell, a small branch upon which he had placed his weight giving away, letting him fall to the ground. He fell some thirty feet, which resulted in his neck being broken. He was gathered up and taken to the home of W. C. Kirker nearby, and medical aid summoned. He died three hours after, and before medical aid could reach him.

The father of the boy was well known in this county. Several years he resided in this section. Later he located in the Decatur neighborhood, where he married. He and his wife went to housekeeping in the Hickory Ridge neighborhood. Last spring they moved to their present home between Aberdeen and Manchester.

Promptly at 2 o'clock, the drivers will cross the starting line on the 300-mile drive. Every motor has been tuned to the highest pitch and every driver is confident. Track Manager Horace C. Hefsey declared Friday that, unless something unforeseen occurs to mar the occasion, the best racing ever staged at the Cincinnati Speedway will be offered Saturday.

Ralph Mulford, in a Duennberg, and Joe Thomas, in a Mercer, are now the favorites. Guetion Chevrolet, in his Frontenac, and Waldo Stein in his Oldfield Special, are also considered as possible winners.

FEDERATION OF SCHOOL TEACHERS MAY BE FORMED

First General Meeting of Mason County School Teachers to Be Held at the County Court House on Saturday Morning—City Teachers to Meet With Them.

There will be a very important meeting of the teachers of Mason county at the County Court House Saturday morning at 10:30 o'clock and at this meeting the city school teachers will also be in attendance. It is the purpose of the teachers of both city and county at this meeting to organize a teachers' federation such as has been organized in other counties of this state and in many other states.

The school teachers, as a class, are about the last people to organize but they have found that through organization there is strength and the time has come when the school teachers of the nation must have a part in their affairs and though an organization such as is proposed for Mason county they will be enabled to be of much help and assistance to each other.

While it is generally recognized that the school teachers of Kentucky are too poorly paid, it is not the purpose of this organization to operate as a trade union in demanding higher salaries, while endeavoring to impress upon the people of the state the need of higher salaries may be a part of the organization's plan. There are many ways in which the school teachers may be of more benefit and more effective to the county and city through an organization.

The matter of such a federation was first suggested at the Mason County Teachers' Institute held in Mayville in August but action on perfecting such an organization was at that time deferred until this meeting.

As this is the first general teachers' meeting since the opening of school it is expected to be quite an interesting one and full reports from all schools in the county will be made at that time.

FLO-FLO IS DANDY

MUSICAL SHOW

One of the best shows that has been seen at the Washington theater in years was Flo-Flo, the Musical Comedy produced there last night. It was a real show and the large audience greatly appreciated it. The performance moved along from the first lift of the curtain until the drop on the finale with pep and the music was superb. The patrons of the Washington are hoping that Manager Russell will give them more more like Flo-Flo during the season.

REDS GIVEN HEARTY WELCOME HOME

Cincinnati Extends Great Welcome
Home to the World's Base-
ball Champions.

The Cincinnati Times-Star in a lead to a big story tells of the welcome home this morning extended the victorious Reds as follows: Cincinnati is celebrating. It is her golden base ball jubilee. The fire bells have rung, the whistles blown, the banners have been hung and still are flying. The conquerors of the greatest base ball battle have returned. They are the city's guests. A half holiday has been proclaimed by the mayor.

The ball players were met with music and taken to the Business Men's club for breakfast.

On Fountain square a great reception and "sing" was staged at 10 o'clock, but it was called off on account of an intervening shower.

However, the ride up Centre avenue to Fifth street, over Fifth to Vine up Vine to Ninth street and over Ninth to the Business Men's club was indeed a triumphal procession. Windows and sidewalks along the route swarmed with men and women eager to see the Red heroes and rendered homage in the form of lacy yells. Favorites were piled in the various autos and some of the more enthusiastic rushed into the street to give a handclasp to a friend among the returning conquerors.

CHURCH WILL BE KNOWN IN FUTURE AS SEDDEN M. E.

The Second M. E. Church, when organized was named the Sedden M. E. Church in honor of Rev. William Sedden, who had much to do with the organization of the church. In later years the church has been generally known as the Forest Avenue M. E. Church but it is the desire of the officers and members of that church that it shall bear its proper name and in the future it will not be known as the Forest Avenue church but as the Sedden M. E. Church.

FIRST GUN FIRED BY AMERICANS TO BE BROUGHT HERE

First Division Recruiting Party Carries Big Gun Which Began American's Answer to the Kaiser.

The gun from which was fired the initial shot for the United States after the entry of our forces into the war, will be brought to Mayville by the recruiting detachment from the famous First Division, which will arrive in the city about November 1st.

The gun is one of the French 75's and belongs to Battery C, Sixth Field Artillery, First Division.

The party, which will consist of 50 men and 10 officers, will be commanded by Major Horace F. Hill, Jr., and will make the tour in automobiles carrying equipment of the branch of the division that were used overseas. Demonstrations of the use of the equipment will be given at each of the towns visited by the party during the tour.

The division circus that accompanied the organization into Germany, a glee club and other forms of entertaining features, all composed of soldier talent, also will accompany the party. The First Division was the first to go overseas and the last to return. It was referred to by General Pershing as the "greatest division that ever entered France, either before or after America's declaration of war."

The Eighteenth and Twenty-eighth regiments of Infantry, which will be represented in the party, were the only two line regiments to be decorated with the French fourragere and men enlisting in these regiments will be entitled to wear this decoration.

Major John J. Gannon, of the Kentucky army recruiting force, has arranged army recruiting itinerary for the party: Shelbyville, Frankfort, Lexington, Winchester, Mayville, Brooksville, Falmouth, Williamstown, Sadleville, Cynthiana, Georgetown, Richmond, Lancaster, Danville, Harrodsburg, Lawrenceburg and Taylorsville. The towns will be visited in the order given.

During the visit of the First Division party to Mayville, the length of which has not been determined, the recruiting officers will concentrate their efforts on the securing of men for this organization, but recruits for other organizations will be accepted.

LIVE WIRES AND A COUNTRY TOWN

A few evenings ago the Public Ledger man dropped into the hustling little village of Minerva and while we had heard much of this town it was the first time we had visited it probably in 17 years. The progress of this little village is remarkable. What 17 years ago was a store and a blacksmith shop, a few churches and a number of weather beaten residences, is now one of the prettiest little towns in the whole of Mason county.

For one who knows something about this village it is easy to explain its growth and development. One thing is responsible for it all and that's live wires. Minerva has developed some live wires and it has been fortunate enough to import some live wires and with them they brought up-to-date stores, good schools, good homes, a fine community spirit and other live wires—the kind wrapped in human bodies and the kind wrapped in insulation.

Some of our other Mason county towns whose citizens have long looked upon Minerva as an insignificant village had better look out.

What has made Minerva will make any village. Three live wires can put electricity into any wee burg.

V. P.'S VACATION CUT SHORT

The Vice President's sojourn at Atlantic City was rudely terminated by the Democratic leaders of the Senate, who insisted that he return to Washington and remain there until after the various votes on the peace treaty and amendments. They cherish the hope that they may be able to rally enough Senators in support of the league and against the amendments to bring about a tie when the roll is called. In such an event the Vice President is authorized to vote, and the pro-leaguers want him at the Capitol to exercise that prerogative if occasion arises.

SUNDAY SCHOOL LESSON OCTOBER 12, 1919.

Topic: Jesus Calls Peter and John.
Mark 1:14-20, Mark 3:13-19.

REV. J. J. DICKEY.

Last Sunday's lesson gave an account of the Conversion to Christ of Andrew, John and Peter. This was just after the temptation in the Wilderness. Jesus remained in Judea for a season and when John, the Baptist, was cast into prison he departed for Galilee. We meet him today on the banks of the Sea of Galilee where he finds James, John, Peter and Andrew fishing. He now calls them to leave their nets and follow him. Here we have a concrete case of a call to the ministry. God called the prophets for their specific work, Jesus called the twelve and the seventy. We believe that God still calls men to preach the gospel. It is a great privilege and a great honor to be thus designated. These were laboring men, plain tollers.

Moses was called from keeping his father-in-law's sheep; Saul was called to be King from searching from his father's flocks; Amos called from the herds of Tekoa; the birth of Christ was announced to the shepherds of Bethlehem. Many of the greatest ministers of the gospel, all down the ages have come from the ranks of the common people. It seems to be God's way. God always has reasons for what he does whether he divulges it or not.

Jesus at once gave these men an object lesson in preaching or as he called it, fishing for men. He sat in one of the boats and preached to the people on the shore. Jesus was what we call today a street preacher as well as a Synagogue preacher. The salvation of men seemed to be always on his mind, and he was speaking of the Kingdom wherever he went. The ideal minister is like the Master in this as well as in all other respects.

Our failure as ministers, today, is doubtless attributable to our failure to be so impressed with our mission that we always seeking the lost. If we succeed we must be about our Master's

business. Jesus thought it best for those who were called to preach should leave their usual pursuits, and give all the time to this special work. Again we find in Jesus training the twelve that a call to preach is a call to prepare. He took charge of this company of chosen men and kept them with him during the remainder of his life teaching them and exercising them in active work. This again is ideal. The church is coming more and more to the idea of trained religious workers. Laymen and laywomen are being called together for training in schools organized for that purpose. The training of Sunday School teachers has become the prominent work of the church. Both wisdom and power is needed for winning souls. First the person must find Christ, he transformed by the Holy Spirit into his image, then taught in the scriptures and in methods of reaching men; and during this process he should be exercising himself and in winning souls. We learn by doing, and in nothing is this more true than in bringing men to God. It should be the highest inspiration of every Christian, young and old to equip himself for the great work of saving men. This is the greatest work in which a human being can engage. It was and is the work of Jesus Christ. One does not necessarily go to a training school, though that is best, if possible. There is great literature on this subject within the reach of every one, prepared by successful workers, and it is cheap. Next to his death, the greatest thing that Jesus did for the world was "the training of the twelve". His discourses were largely for their benefit. They were the depositories and the depositories of the gospel. The word of God should be studied in every home and from childhood its great truths lodged in the mind, preparatory for the life work. If parents expect their children to be winners of souls they must begin in early life to train them for that purpose. There needs to be a great awakening on this subject. We are making slow progress in bringing the world to Christ because we are not teaching the children that this is their business and then failing to prepare them by training to do the work.

MRS. MAY COULD NOT WORK

Made Well and Strong by Lydia E. Pinkham's Vegetable Compound.

Columbia, Pa.—"I was very weak and run down and had dragging-down pains and pains in my back. I could not get around to do my work and had to sit down and rest often during the day. I saw Lydia E. Pinkham's Vegetable Compound advertised in the papers and read the testimonials, so I thought I would try it. Now I am healthier than I ever was in my life, and can recommend it to any woman who suffers as I did."

—Mrs. ELIZABETH MAY, R.F.D. No. 1, Columbia, Pa.

The reason Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills is because it contains the tonic, strengthening properties of good old fashioned roots and herbs, which act on the female organism. Women from all parts of the country are continually testifying to its strengthening, curative influence, and the letters which we are constantly publishing from women in every section of this country prove beyond question the merit of this famous root and herb medicine.

HAVE YOU A BAD BACK?

If You Have, the Statement of this Maysville Resident Will Interest You.

Does your back ache, night and day? Hinder work; destroy your rest? Does it stab you through and through? When you stoop or lift or bend? Then your kidneys may be weak. Often backache is the clue. Uric acid and its ills. Make the burden worse and worse. Liniments and plasters can't reach the inward cause at all; Help the kidneys—use the pills Maysville folks have tried and proved.

What they say you can believe. Just to give you further proof. The kidney action may be wrong. If attention is not paid, More distress will soon appear. Headaches, dizzy spells and nerves, Read this Maysville woman's account.

See her, ask her, if you doubt. Mrs. W. A. Schatzmann, 605 East Second Street, says: "From the benefit I have received from Doan's Kidney Pills, which I buy at Chanslor's Drug Store, I have every reason to recommend them. Whenever my kidneys have been irregular in action or I have suffered from weakness and lameness in the small of my back, I have used Doan's Kidney Pills. They have always proven sufficient to quickly cure and attack." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Schatzmann had. Fencing is good, and there is an abundance of water for stock and family use even at this drought period. Possession will be given for seeding this fall and full possession March 1st, 1920. Why Central Can Not Answer Questions

The duty of the switchboard operator is to answer your number calls and get connections for you.

If she stopped to answer questions, the number of calls would pile up and the service would be delayed; this would be an injustice to the other subscribers.

When in response to a question, the operator says: "I will give you Chief Operator", she is obeying her instruction.

If you cannot find what you want in the telephone directory, ask the operator for "Chief Operator" and she will connect you with the "Chief Operator" where your questions will be promptly answered.

You Ought To See the New Suits for Young Men

The young men who have already seen in to look them over say "they're right, too. We believe they are the best clothes ever shown in this community—the best ever produced by THE HOUSE OF KUPPENHEIMER."

The new double breasted designs with high shoulders are high favored. So are the stylish single breasted. Some have belts, which can be worn as full belts, as half belts, or not at all. The fabrics are new and interesting; the patterns and color tones cover a wide range. Better values now than will be possible later.

ANOTHER BIG MUSICAL COMING HERE MONDAY

"Oh, My Dear" Is Next Show at the Washington—Comedy Here Next Monday Evening

No one who admires real wit, enjoys cleanly funny situations, loves charming music, and likes to see pretty youthful girls, gorgeously gowned, can afford to miss "Oh, My Dear," the sixth New York Princess Theater musical comedy success, which shows at the Washington theater on next Monday night.

The fact that F. Ray Comstock and William Eddiott, sponsors for the previous notable musical productions at the famous New York playhouses are also sponsors for this, is guarantee enough of its excellence. Guy Bolton, P. G. Wodehouse, and Louis A. Hirsch supply the book, lyrics and music, and the cast includes Miss Estelle Keye, Miss Mildred Donnelly, Rollin Grimes, Mr. Spencer Chartiers, Miss Wayne Nunn, Miss Olive Shelly, Mr. Earl Reading, Miss Martha Voight, Mr. Del Marie, and Miss Helen Frances.

The chorus is unique in musical comedy history, consisting as it does of the youngest, fresh-faced, graceful, talented girls and dancers that producers could find.

ATTORNEY GENERAL SAYS PEOPLE CAN STOP HI COST

Report Profiteering to Commonwealth's Attorney, Attorney General Morris Says.

Frankfort, Ky., October 10.—Profiteering will not be stopped until the people of this State start a crusade against it, was the opinion expressed today by Attorney General Charles Morris. Nothing can be gained, he said, without concerted action on the part of the people of the State to put it out of existence. Every person who knows of a case of profiteering and fails to report it, Attorney General Morris said, is a friend to the high cost of living instead of fighting the profiteering.

When cases of profiteering are known they should be reported to the Commonwealth's Attorney whose duty it is to prosecute all such violators of the law. Both fines and imprisonment may be imposed for such offenses. In fact, Attorney General Morris said "the sky is the limit."

Several cases of profiteering have come to the notice of Attorney General Morris. In one instance a local merchant bought tomatoes for \$1 a bushel and sold them for \$2. In another case a local merchant bought canteloupes for 15 cents each and sold them for 30 and 40 cents. These merchants, he said, doubled their profits and such profiteering should not be tolerated.

HIGH CLASS MUSICAL TALENT TO BE HEARD

Local Agents For the Columbia Graphophone Company Offer Great Program of Great Musicians—First Number October 20.

We call the special attention of our readers to the advertisement of Messrs. J. G. and William F. Murphy, local agents for the Columbia Graphophone Company, appearing elsewhere in this issue announcing a series of musical concerts to be given at the Washington Theater this winter under their direction.

In this series of concerts there will be some of the greatest musical artists of the age appear. The first concert will be on the evening of October 20 when Oscar Seagle, famed baritone, and Barbara Maurel, Mezzo-Soprano, will give a joint recital. Both of these artists are known all over this nation and all over Europe as wonderful vocalists and it is expected that the Washington will be filled on that evening.

Read over the announcement made in today's Ledger and if you have not already purchased your season ticket for this concert do it immediately as this is an opportunity seldom offered music lovers in this section.

INTERNATIONAL CONVENTION AT CINCINNATI, OHIO

Considerable interest is being taken in the approaching International Convention of the Christian Churches which will be held in Cincinnati October 13 to 20. Nearly all the churches of this religious body in this and neighboring counties will be represented in the attendance. Some may go for the day when Foreign Missions are discussed on Wednesday. Others will go on other days for the whole time. About ten thousand delegates are expected. The assignment committee promises to find lodging places for all who request it.

Those who go up to Wednesday can get one and a third fare if they have a Certificate of Identification. A. F. Stahl, the minister of the Maysville Christian church has some of these certificates and will leave some of them in J. T. Kackley's Store.

Be sure to sign them before asking for the ticket so as to save the agents time.

CAMPAIGN FOR CLOTHING

The young ladies of the Settlement Club have agreed to make the canvass of Maysville and Mason county for clothing for the naked and starving Armenians and Syrians. They will begin the work next week. We ask for them a cordial reception and liberal offerings. The ministers are asked to make announcement of this from their pulpits.

In view of the fact that several drives for money are on at this time the canvass for the \$4,800, Mason county's quota for Armenian and Syrian relief, is postponed till November. Due notice will be given of the exact date.
